Miss Virginia Hill

Too often we overlook the person "behind the scene."

Too often we take for granted, if we are even aware of, the time, efforts, and dedication of the person "behind the scene" who contributes greatly to the smooth and efficient success of many functions related to the school system.Such a person is Miss Virginia J. Hill who for the past twenty five years has been employed as the accountant clerk in the business office of the school district.

Miss Hill's dedication is evident in the fact that during the time of her employment she has not missed a day of work and often she spends countless "extra" hours during weekends at the business office. As is the case in any school office, keeping up with the volume of correspondence, filing, recording and requisitioning can be overwhelming.

Miss Hill presently resides at her home on Cherry Hill Road in Glen Aubrey. Her hobbies include gardening and flower arranging and frequently she brings completed arrangements to school. Upon graduation from the Whitney Point Central School District in 1954, Miss Hill began her employment with the school system. When in the eighth grade Miss Hill wrote, "The care and raising of pets has been a good influence on my life. They have taught me to be kind and gentle to everything and everyone; someday that kindness will be returned to me."

With kindness, Miss Hill, we dedicate this edition of the EAGLE to you in recognition of your many kindnesses, and loyal continued efforts on behalf of the students of the Whitney Point Central School System

1980 Senior Florida Trip

The Senior Class of 1980 embarked on its "FLORIDA TRIP" early the morning of April 8. Enroute to Florida the class spent an afternoon touring the sights of Washington, D.C. including the Capitol Building, Arlington Cemetery, and the Lincoln and Jefferson Memorials. April 9, the class members enjoyed the amazing amusements of Six Flags Over Georgia. April 10 began with a tour of the U.S. Kennedy Space Center at Cape Canaveral and then on to Cocoa Beach for sun and fun along the ocean front. That evening, the class arrived at the Hyatt House in Orlando where everyone was impressed with the luxurious facilities and excellent service. Bright and early the next morning, April 11, the class "shuttled" over to Walt Disney's Magic Kingdom for a day enjoying the delightful and fantastic fantasies that only Disney could make come true. The next day, all returned to Disney World's version of the "Ole Fashioned Swimmin' Hole" at River Country and then spent the last evening once again enjoying the Magic Kingdom. Though sunburned and exhausted, we returned home full of fond memories.

Board of Education
Whitney Point Central School District

WHITNEY POINT CENTRAL SCHOOL DISTRICT BOARD OF EDUCATION: Seated: Dr. Robert Zegler, Superintendent; Mrs. June Tymeson, Board President; Mr. Melvin Bowman. Standing: Mr. Charles Lawrence, Board Clerk; Mr. F.J.R. Croft, Mr. Joseph Smith, Dr. John Prindle.

One night I had a dream.
I dreamed I was walking along with the Lord
And across the sky flashed scenes of my life.
For each scene I noticed two sets of footprints in
the sand, one belonging to me, the other to the Lord.
When the last scene of my life flashed before us,
I looked back at the footprints in the sand.
I noticed that many times along the path of my life
There was only one set of footprints.
I also noticed that it happened at the very lowest
and saddest times of my life.
This really bothered me and I questioned the Lord
about it.
"Lord, you said that once I decided to follow you,
you would walk with me all the way, but I have
noticed that during the most troublesome times of
my life, there was only one set of footprints-
I don't understand why, in times when I needed you
most, you would leave me."
The Lord replied, My precious, precious child,
I love you and I would never, never leave you.
During the times of trials and suffering, when
you see only one set of footprints, it was when
I carried you."

1979-80 Teacher of the Year

Mrs. Rayma Wilson

Mrs. Rayma Wilson was selcted as the 1979-1980 Teacher of the Year. Mrs. Wilson is the wife of Mr. Robert Wilson. The Wilsons have three children and four grandchildren.

Mrs. Wilson has been teaching in the Whitney Point Central School System for nineteen years. During this time Mrs. Wilson has taught primarily Home Economics courses.

Mrs. Wilson graduated from Marathon High School and from Cornell University where she received a B.S. degree. She currently has earned forty-five credit hours toward a graduate degree. Her major field of study at Cornell was Family Life Studies, with a minor in sociology.

Dedication is the word that best describes Mrs. Wilson; dedication to the students, her career, and the community, Mrs. Wilson has served as the advisor to the Future Homemakers of America for 17 years. She is a member of the Executive Council of the Nominating Committee of the Southern District American Home Economics Association. Next year Mrs. Wilson will serve as chairman of that committee. Mrs. Wilson conducted a workshop for the local Home Economics Association and the New York State home Economics Teachers Association. A member of the Whitney Point Teachers Association, Mrs. Wilson is chairman of the political action committee.

When asked why she teaches, Mrs. Wilson replied, "I enjoy teaching and I like the students. There are some rewards in teaching you can't place a price on. F.H.A. gives students an opportunity to feel good about themselves. Students accept each other as individuals. If I accept each one as an individual, maybe in some way I can help each develop to their full potential."

Memoriam:

Mrs. Raeola K. Hibbard

August 11, 1928—March 18, 1980

"We are here to add what we can to, not to get what we can from, Life."

A thing is only worth the work you put into it . . .

Before I joined Student Council I thought it was just a club. I thought you had to be popular in order to be elected into this club, and I thought you could only be in Student Council if you were elected.

Many people feel this way and that is a shame. Student Council was established in order to give the students a voice in how our school is run. It is not just a place for popular people in school; it is a place for any and everyone with good ideas.

Everyone can get involved in student council whether they are elected or not. Everyone who does become involved gains something. School can teach you many things, but learning to work with others cannot be found in the pages of any textbook. As individuals we have different thoughts, beliefs and ideas. It is important that we try to respect and to understand each other. Without involvement and participation we deprive ouselves and others of the valuable contributions we are capable of making. Our school system offers a wide variety of extracurricular clubs and organizations; something for everyone. Student Council brings together students from all of these organizations for the benefit of all the students in the high school.

A great man once said that a thing is only worth the work that you put into it. For years the Student Council has been trying to make the school system a better one. The work is worth the while.

1980 Blood Drive

On April 28, the Broome County Chapter of the American Red Cross assisted by the Senior High School Student Council, conducted a Bloodmobile Drive. From 38 student and 28 adult volunteers, a total of 58 pints of blood were donated. The drive is proof that students are willing to "help us help!"

Does Whitney Point Central have an "Alma Mater?" When was the last time you heard the "Alma Mater?" What IS an "Alma Mater?"

Not to be confused with the "Fight Song", an Alma Mater is a song expressing loyal sentiments to the school or institution from which a person has graduated. The song was traditionally sung at various school functions such as athletic games, pep rallies, and of course commencement exercises.

Traditions come and traditions go. Unfortunately, in our case at Whitney Point the singing of the school Alma Mater is one tradition that has gone. Maybe the time has come to restore and revive this tradition.

ALMA MATER

WHITNEY POINT CENTRAL SCHOOL

Come, gather round, my dear old classmates,
And join our greeting song;
With ambition true, our work to do,
Our hearts beat high and strong.
We have formed the binding tie
It will never, never die,
We'll e'er uphold dear Whitney Point!
Our Alma Mater — Oh!

Oh Alma Mater, dear old Whitney Point!
Our love for thee we sing.
We love thee for thy tenderness,
And for thy loyalty.
We love thee for thy guidance past
And willing help each day.
While down the years our faith sends forth
A bright, prophetic ray!

The Varden Portrait.

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in fine portraiture. When you graduate, don't settle for less.
